

in section 515(c)(2)(C) of MAHRA at least semi-annually.

**§ 401.450 Owner evaluation of physical condition.**

(a) *Initial evaluation.* The owner must evaluate the physical condition of the project and provide the following information to the PAE in a form acceptable to the PAE:

(1) All work items required to bring the project to the standard in § 401.452;

(2) The capital repair or replacement items that will be necessary to maintain the long-term physical integrity of the property;

(3) A plan for funding the rehabilitation work included in paragraph (a)(1) of this section, which work must be completed in a timely manner after closing the restructuring transaction, that identifies the source of the required owner contribution of non-project funds; and

(4) An estimate of the initial deposit, if any, and the estimated monthly deposit to the reserve for replacement account for the next 20 years.

(b) *Reconsideration and modification of evaluation.* If the PAE, after its independent review under § 401.451, determines that the owner's evaluation either fails to address specific necessary work items or fails to propose a cost-effective approach to rehabilitation, the owner may modify its evaluation to satisfy the concerns of the PAE.

**§ 401.451 PAE Physical Condition Analysis (PCA).**

(a) *Review and certification of owner evaluation.* (1) The PAE must independently evaluate the physical condition of the project by means of a PCA. If the PAE finds any immediate threats to health and safety, the owner must complete those work items immediately, or the PAE must evaluate the project's eligibility in accordance with § 401.403(b)(3).

(2) After consultation with the owner and an opportunity for the owner to modify its evaluation performed under § 401.450, the PAE must certify to the accuracy and completeness of the owner's evaluation performed under § 401.450 for each project covered by the PRA or state that the evaluation fails

to address certain items or does not propose a cost effective approach.

(b) *Rejection for inaccurate or incomplete owner evaluation.* If the PAE cannot certify to the accuracy and completeness of the owner's evaluation due to its failure to address specific work items or because it does not propose a cost effective approach, the PAE must notify HUD. If HUD agrees with the PAE's determination, the PAE must notify the owner that the request for a Restructuring Plan is rejected.

(c) *Rejection for lack of cost-effectiveness.* Based on the completed PCA, the PAE must determine whether proceeding with a Restructuring Plan with necessary rehabilitation is more cost-effective in terms of Federal resources than rejecting the Request for a Restructuring Plan under § 401.403(b)(3) and providing tenant-based assistance for displaced tenants under § 401.602. HUD will provide guidance to PAEs for making the cost-effectiveness determination. If the PAE concludes that a request for a Restructuring Plan should be rejected because of lack of cost-effectiveness, it must also consider the effect on tenants and the community and advise HUD of the effect.

(d) *Dispute and appeal of rejection.* The dispute and appeal provisions of subpart F of this part apply to rejections under paragraphs (b) and (c) of this section.

**§ 401.452 Property standards for rehabilitation.**

The Restructuring Plan must provide for the level of rehabilitation needed to restore the property to the non-luxury standard adequate for the rental market for which the project was originally approved. If the standard has changed over time, the rehabilitation may include improvements to meet current standards. The result of the rehabilitation should be a project that can attract non-subsidized tenants but competes on rent rather than on amenities. When a range of options exists for satisfying the rehabilitation standard or the plan for capital replacement, the PAE must choose the least costly option considering both capital and operating costs and taking into account the remaining useful life of all building

systems. Nothing in this part exempts rehabilitation from the requirements of part 8 of this title concerning accessibility to persons with disabilities.

**§ 401.453 Housing quality standards.**

(a) *Standards.* The Restructuring Plan must require the owner to maintain the project, for the duration of the Use Agreement under § 401.408, in a decent and safe condition that meets the applicable standards under this section. As long as project-based assistance is provided, the applicable standards are the physical conditions standards for HUD housing in § 5.703 of this title. At any other time, the applicable standards are the local housing codes or codes adopted by the public housing agency if such codes meet or exceed the standards in § 5.703 of this title and do not severely restrict housing choice or, if there are no such local housing codes or codes adopted by the public housing agency, the standards in § 5.703 will apply. In addition, any unit in which the tenant receives tenant-based assistance must comply with the housing quality standards of the section 8 tenant-based programs.

(b) *Reserves.* The Restructuring Plan must also provide for reserves for capital replacement sufficient to assure the property's long term structural integrity so that the property can be maintained as affordable housing in decent and safe condition meeting the standards of this section.

**§ 401.460 Modification or refinancing of first mortgage.**

(a) *Principal amount.* As part of the Restructuring Plan, the PAE will determine the size of the restructured first mortgage that will result from the modification or refinancing of the existing FHA-insured or HUD-held first mortgage. The restructured first mortgage must be in the amount that can be supported by net operating income based on the lower of the restructured section 8 rents or the rents allowed by the Use Agreement under § 401.408. Neither the outstanding principal balance of the existing first mortgage, nor the monthly principal and interest payments on that debt, may be increased through the Restructuring Plan. The debt service coverage used by the PAE

must be adequate for purposes of the Restructuring Plan and for the requirements of any refinancing.

(b) *Fully amortizing.* The modified or refinanced first mortgage must be fully amortizing through level monthly payments.

(c) *Rates and other terms.* Interest rates and other terms of the modified or refinanced first mortgage must be competitive in the market.

(d) *Fees.* Any fees or costs associated with mortgage modification or refinancing determined by the PAE to be above normal processing fees must be paid by the owner from non-project funds and must not be included in the modified or refinanced first mortgage.

(e) *Refinancing.* (1) If the holder of the existing FHA-insured first mortgage does not agree to modify and re-amortize the outstanding loan, the loan must be refinanced.

(2) The refinancing may be either without credit enhancement or with credit enhancement under one of the following:

(i) *FHA mortgage insurance.* If the Restructuring Plan provides for FHA mortgage insurance for the refinanced first mortgage, the insurance will be provided in accordance with all usually applicable FHA legal requirements except that insurance will be documented as provided in section 517(b)(2) of MAHRA. HUD will issue the commitment for mortgage insurance but may adapt its procedures as necessary to facilitate development and implementation of a Restructuring Plan.

(ii) *Other FHA credit enhancement.* If FHA credit enhancement, including risk-sharing, is provided under part 266 of this title, the credit enhancement will be provided in accordance with all usually-applicable FHA legal requirements under part 266 of this title, except that special approval from HUD will be required before the PAE engages in risk-sharing with FHA under part 266 of this title.

(iii) *Credit enhancement from non-FHA sources.* If credit enhancement is to be provided by a non-FHA source under section 517(b)(4) of MAHRA, HUD will consider waiver of any non-statutory provision in this part only if the waiver will not materially impair achievement of the purposes of MAHRA and if
